

SPECIAL Executive Trainer PIN PROMOTION

– FACT SHEET & TALKING POINTS –

We are pleased to announce a very special promotion for any past *or* present 5LINX Executive Trainer (ET). This promotion has never been offered before!

Here's how it works:

- **Any PREVIOUS ET** can restore their ET pin level by virtue of achieving \$50 in personal CV within the calendar month of February. You are NOT required to restore the 2&12 structural requirement. This personal CV volume is all that is necessary to re-promote and be recognize as ET throughout March.
- Any CURRENT ET can guarantee ET status through March by virtue of achieving \$50 personal CV within the calendar month of February.
- **ALL persona CV generated in February counts towards \$50 threshold**
- This includes CV from Belief Bundle enrollments, personal and customer orders, PDN, and any subscription bundles (whether or not they are CCQ)
- If you qualify by the end of February, you will be able to utilize the ALTERNATIVE ET QUALIFICATION indefinitely to maintain your ET status.
- You will automatically promote to ET on March 1, 2020 if you have achieved at least \$50 in CV for the calendar month of February
- This alternative method cannot be used to promote to ET for the FIRST TIME. This is only for those who are currently or have previously achieved the ET position.
- Promotion runs through February 29th (Leap Day)

Don't miss this amazing opportunity to restore your hard-earned ET position with just a modest personal volume requirement (rather than building back to 2&12). Remember, once you restore your position with this unique alternative, **you can maintain it *indefinitely*** with this same \$50 personal CV alternative each month!
